DEDICATION

The Wahoo Staff of Matoaka High School wish to dedicate the 1972 edition of the "Wahoo" to Mr. Bill Kelly. He fulfills his duties as custodian and also helps with school activities. Because of his kindness and loyalty to his Alma Mater, we honor him.

The Wahoo Staff

"No Parking Any Time?"

I'm not bashful!

What's this all about?

"We're just loafing."

IN THE FALL '71

Caught in the act.

"Where is everybody?"

Do we look busy?

Very interesting!

1970-71 AWARDS ASSEMBLY

A solemn moment ---

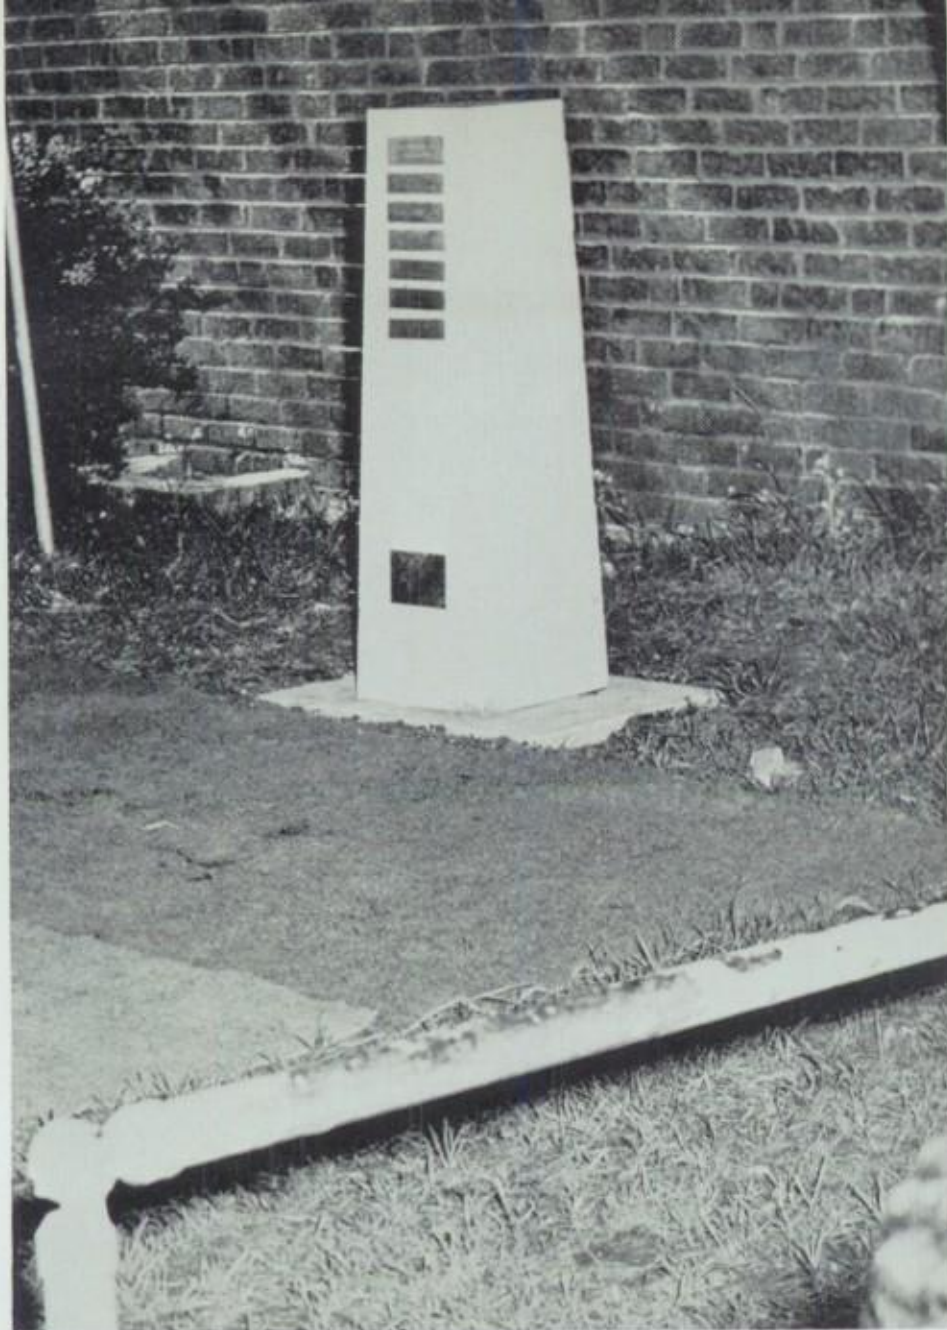

Amazing, Isn't it!

BOB BROWN'S SCIENCE SHOW

Are rules made to be broken?

The National Honor Society dedicated this monument to area Servicemen killed in Viet Nam.

Through the work of the Student Council, the Woodsmen of the World Ins. Agency contributed a flag to M.H.S. and erected the flagpole in front of the school.

ASSEMBLIES 1971-72

The Key Club contributed to the student body of M.H.S. by arranging for a State Trooper to give a talk on drugs.

Matoaka's first class in Computer Programming was made possible by the generosity of the Alexander Foundation. Here, students from M.H.S. are touring the B.S.C. Programming Center.

STUDENT COUNCIL

STUDENT COUNCIL

The Student Council, an organization of students from the various clubs and classes, lets the administration know the ideas of the student body, expressed by their representatives. Through this organization, the students, faculty, and administration of M.H.S. learn to co-operate for the betterment of the school and its relations with others.

NATIONAL HONOR SOCIETY

NATIONAL HONOR SOCIETY

No honor or responsibility by school excels that represented by the National Honor Society. It represents the fundamental objectives for which schools are instituted and gives recognition to those who have nearly attained the desired ends. The object of all chapters shall be to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in students of schools of the nation. Once a student is selected for membership, he should promote these qualities: Leadership, Character, Scholarship, Service, for which the National Honor Society stands.
